

BE **ABSOLUTELY SURE.** CALL BEST DOCTORS.

Dear Member,

Imagine you receive bad news at the doctor's office – you are seriously ill. The scary questions arise: *Is the diagnosis correct? Will the treatment be right?* Now, you have the ability to ensure you get the right answers without ever leaving your home. Best Doctors is a free and confidential service available to you through your benefits plan. Through the Best Doctors Check-up, you have access to world-renowned doctors who will work on your case to make sure your diagnosis and treatment are on target. The result could save your life.

THE BEST DOCTORS CHECK-UP.

To send your diagnosis through our Best Doctors Check-up, simply call Best Doctors at 1-866-904-0910. One of our nurses is waiting to answer any questions about your current medical situation or our program. Your diagnosis is then put through a careful evaluation by a selected expert doctor. You and your treating physician will soon receive a comprehensive, easy-to-understand report. All at no cost to you.

Please detach your member magnet from this letter and put it in a visible place. Best Doctors is now available to you to provide the answers you need.

If you're uncertain of your diagnosis or treatment options, let us help you be absolutely sure.

Warmly,

David Seligman
